The First Asst to the Resident in Mysore

Sir,

I am directed to forward for transmission to the Military Authorities, Madras, the accompanying application from Brigade Surgeon Lieut-Colonel J. J. McGann, I.M.S., Senior Surgeon and Sanitary Commissioner in Mysore, for eight months furlough to proceed to England on private affairs, from the 8th April 1896 or date of departure, and to state that the Durbar would recommend the furlough applied for being granted.

5

but it was expected that after the
sanction steps would be taken as
soon as possible to reorganize the
Med[l] Dept., when I would be able
to judge for myself the prospects
under the Govt. of H. H. the Maharaja
and it was at the same time
implied that, being the first
qualified native employed in
the Mysore Med[l] Dept, they could
not but be favourable in the
highest degree possible.

Now these were the terms agreed
upon between myself & the late
Mr Rumpel who on behalf of —
and representing — the Chief Com-
missioner of Mysore, whose Rev.
Secretary he was. From this
you will see that I have been
entitled to Rs 250/- since November
last, is a settled fact and not
a question under decision. What-

would be under decision is clause 3rd and which I have every reason to believe, will be carried out by our Dewan in a way satisfactory to me.

The late Dewan, in anticipation of re-organizing the Mint Dept held out to me certain prospects, which I named not state for the present as they are not at issue. But I wish to make it clear that the increase of Rs 30/- at the end of two years of my service, has been a fact settled ever since my appointment, and has nothing whatever to do with Mr Runga Charloo in his capacity as Dewan of Mysore. What better proof could there be of this fact than his own mentioning it to Mr Seshadri Iyer & yourself?

When Mr Runga Charlu was seriously ill, if I mistake not, you told me that there could be no possible

objection to it and now to be asked in a way as if the matter is still sub-judice, is very disheartening to me.

I shall be very happy to send some of my testimonials, if required, for the perusal of the Dewan in view of taking any action regarding clause 3rd.

In conclusion I beg that the Dewan will be pleased to issue the necessary order of my promotion as soon as possible as I am simply waiting for ~~Mrs Yeder, to start for Bombay~~

I am very sorry to learn that he is ill, but I hope he will be soon restored to health.

I am
yours faithfully
D A Chokshi.

X The Dewan does not remember the conversation alluded to by Mr Chokshi:

As regards myself I know that Mr Chokshi was asking for promotion & Mr Ranga Charlu promised to consider about it. I do not know & do
